Four Amish Romances Get the complete bestselling Amish Lost love Series and the much-anticipated story of Ruth and Daniel together for the first time. Amish Lost Love - Gloria's heart is broken, her only love lost. When Simon left the Amish community of Faiths Creek, he told Gloria he would be back, and that they would always be together. Believing in her love she waited for a sign, a letter, anything and she remained alone. Now she believes she is too old to court and she lives for her job as a fashion designer. Fate brings them back together, but Simon is engaged and Gloria is to design his fiancée's wedding dress. This is a tale of betrayal, lost love and new beginnings. Can faith and forgiveness bring two people together and heal hearts that have been broken? Amish Hope and Faith - Finding Simon again has opened so many doors for Gloria. Once again the possibility of marriage and children is back in her life. With it comes heartache and decisions that could see her shunned from her community and estranged from her family. Will she have to choose between them? With her breath held she squared her shoulders as if expecting an attack. But that was what this was. It was an attack on her heart, on her love and if he could not stand with her, then he was against her. A Time of Faith The Empty Cradle - All alone in a room is an empty cradle. Simon and Gloria have been married two years but still there is no baby. While Gloria frets her sister, Ruth is having her own problems. The secret she keeps could destroy Gloria and is wrecking her relationship with Daniel. Until she can confess she cannot be happy, does not deserve to be happy. Daniel has not committed to the church and he spends so much time with the English. What is he up to? What is his secret? Will Gloria get her final prayer answered or will she be left with that confounded empty cradle? A Prayer for Daniel An Amish Marriage -

Ruths waits with bated breath, will Daniel save their relationship or break her heart? Daniel keeps telling her he is a good man and that she must give him just a bit more time. But can Ruth find the faith to wait? Can she find the patience to trust and the understanding to get the full story before she jumps to conclusions? In this much loved Amish romance will Ruth and Daniel finally have an Amish wedding or will their problems get the best of them. Whose is the baby that Daniel holds? What secret is he keeping? Can he afford to keep a wife and can she let go of her family and marry him? All the stories are sweet, clean, Inspirational Amish Romances from Sarah Miller Bestselling Amish Romance Author
