

## Interracial Relationships (At Issue Series)

Books in this anthology series focus a wide range of viewpoints onto a single controversial issue, providing in-depth discussions by leading advocates. Articles are printed in their entirety and footnotes and source notes are retained. These books offer the reader not only a full spectrum of dissent on the subject, but also the ability to test the validity of arguments by following up on sources used as evidence. Extensive bibliographies and annotated lists of relevant organizations to contact offer a gateway to further research. This series provides a quick grounding in the issues, a challenge to critical thinking skills, and an excellent research tool in each inexpensive volume.
