

Mail Order Bride: A Spoiled Christmas Bride for the Struggling Cowboy: Twelve Mail Order Brides of Christmas

Celebrate the miracle of love and the joy of the holiday season on the Western frontier with the Twelve Mail Order Brides of Christmas, a new series from popular author Emma Morgan! To Mary Turner, the West is a chance to escape the trappings of her privileged life and find adventure and love. So when she agrees to become the Mail Order Bride to William Redding, she's ready for the world she's read about in her favorite dime novels. What she's not ready for is a rundown ranch, a debt-ridden husband, and scorpions in her bedroom. William Redding has hoped for a wife to help him with the duties of the ranch. Mary had seemed charming in her letters, and she is lovely in person, but she can't even butcher a chicken properly. How can he expect her to be happy on his ranch?

They cannot resist their growing love, however, and Mary finds herself feeling more at home on the ranch each day. But as Christmas nears, the ranch that she calls home is in danger of being taken away from William and her forever.
