

LittleMissMatcheds The Writer in Me!

Now, following the first two books in the series, Pajama Party in a Box and the Marvelous & Fabulous Me Quiz Box, is a new title that takes full advantage of LittleMissMatcheds emphasis on creativity and individuality. Tween girls love to write, whether keeping a diary of their deepest thoughts or beginning to express themselves for the public through poetry, songs, or fiction. The Writer in Me! is an all-in-one creativity kit for every up-and-coming wordsmith, written in a fun, accessible way by Arielle Eckstut, co-author of Putting Your Passion into Print, one of the founders of LittleMissMatched, and author of the previous LMM books. A book of motivation, instruction, inspiration, technique, and tips, it helps the young writer on her journey to find her inner voice, to observe the world, to discover the forms of writing that are most appealing. The kit also includes a full suite of writers tools: three different types of journals (an observation notepad, a diary, and a lined blank book), a handy rhyming dictionary, a Why Writers Write inspirational poster, and a deck of word cards and story-starters to get the creative juices flowing.
