

5 Seconds of Summer: Live and Loud: The Ultimate On Tour Fanbook

Since their early days on YouTube until today, 5 Seconds of Summer has always said that playing live for their fans is all that matters. When they're not collecting awards and praise as the hottest band on the planet, they can be found performing around the world for their millions of dedicated, adoring fans. 5 Seconds of Summer: Live and Loud captures the best moments from the band's sizzling live performances. As Luke, Ash, Cal, and Mike agree, it's where they're at their very best! This book is the place to get an up close and personal look at the band Harry Styles affectionately calls The Emos. From their record-breaking album releases and their most popular Tweets to award wins, on-tour pranks, backstage secrets and funniest quotes, it's all here! There are also more than 100 incredible color photos and even a removable poster, making this a must-have for every devoted 5SOS fan!
