

The Complete Modern Guide to Basement Waterproofing

Now you can inform yourself about leaking basements and other foundation waterproofing problems and SAVE MONEY by doing the repairs yourself with the instruction you will receive from this unprecedented new publication. J. Scott Gallawa has over 20 years experience in the waterproofing industry and has designed and installed thousands of basement waterproofing systems. He has successfully dealt with problems ranging from minor dampness to full-blown basement flooding and solved water intrusion dilemmas from Cleveland to Atlanta, U.S.A. The highly informative do-it-yourself section is an education at your fingertips. Its like being in the classroom with the expert. Here are clear, down-to-earth answers to all your questions: * Why do basements leak? * Can you do the repairs yourself? * How do you know when to call a professional? * How to choose a contractor? * How much should it cost? * How you can participate in the repair process and save money? * Simple, easy to understand, step-by-step explanations and detailed illustrations. * All the information you'll ever need to make your basement a fresh, dry, enjoyable part of your home. * Plus much more...
