

El Secreto: La Llave de la Dicha y la Plenitud (The Secret: Unlocking the Source of Joy and Fulfillment) (Spanish Edition)

Popular kabbalist and author of *The Way*, Berg is back with another spiritual how-to, a guidebook for applying the principles of mysticism to everyday life. What is this secret? It is a saying that Berg's teacher, the late Rav Ashlag, learned from his own teacher, years ago in Jerusalem: The only way to achieve true joy and fulfillment is by becoming a being of sharing. There's a list of six tips to aid those trying to live out *The Secret*. *The Secret* is about sharing, share the book with others. One wishes that Berg had followed his own advice and shared even more with his audience. Publishers Weekly
