

## Spanish for Social Services Enhanced Edition: The Basic Spanish Series (with iLrn(TM) Heinle Learning Center, 4 terms (24 months) Printed Access Card)

BASIC SPANISH FOR SOCIAL SERVICES is a career manual designed to serve those in the social services professions who seek basic conversational skills in Spanish. Written for use in two-semester or three-quarter courses, it presents everyday situations that pre-professionals and professionals may encounter when dealing with Spanish-speaking clients, patients, and personnel in the United States at work settings such as hospitals and Department of Social Services offices. This enhanced second edition introduces practical vocabulary, everyday on-the-job situations, and culture notes (Notas culturales) written from a cross-cultural perspective. It provides students with opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the Basic Spanish core text.
