

## Two O'clock Slump (The Hartfield Mysteries) (Volume 3)

Its time for Alexas bi-annual trip to her hometown. In the wake of her dear friends arrest and her recent engagement, the trip should have been a welcome diversion. However, her trips to Californias Mojave Desert only bring pain and reminders of why she moved halfway across the country in the first place. Any hope for a quiet rest away from the drama of recent months disappears as an alarm clock in the hotel room next to hers awakens her at two o'clock in the morning. To her astonishment, Alexa finds herself under suspicion for the murder. When the evidence piles up against her, Joe decides its time for her to leave. While Alexa stays off the grid and out of the hands of her hometown police, Joe works quickly to find who is really responsible.
