

## Eternal Hotel (The Sullivan Vampires, Book 1)

Would you risk your life for love? Rose Clyde lost her girlfriend six months ago in a tragic accident. Since then, she simply goes through the motions, knowing she might be doomed to spend the rest of her life grieving. But when her best friend calls with a strange job offer working the front desk of an old hotel up the Maine coastline it's an offer Rose can't refuse. And a chance to restart her life. But Rose isn't prepared for Kane Sullivan, her new boss. This enigmatic, captivating woman, from their very first meeting, has Rose spellbound. There's something about Kane that seems so familiar why does Rose feel as if she's seen this lovely, powerful woman before? As the strange old Sullivan Hotel begins to reveal its dark secrets, Rose's life hangs in the balance. But an even greater danger looms: She's falling in love with a vampire. Eternal Hotel is the first novella in the Sullivan Vampires series, a beautiful, romantic epic that follows the clan of Sullivan vampires and the women who love them. Advance praise has hailed this hallmark series as Twilight for women who love women and a lesbian romance that takes vampires seriously! Two thumbs up!

PLEASE NOTE: All Sullivan Vampire novellas, until the very last one, end on a cliffhanger. This is to add suspense to the story, but it's not every reader's cup of tea. If you dislike cliffhangers, please wait until all Sullivan novellas are released before purchasing--thank you!
