Bob Johnson has a small life. Bob decides that he is sick of his small uninteresting life and devises a scheme to bilk his company out of hundreds of thousands of dollars so that he can flee the country and go somewhere tropical where he can spend his days being respected and fawned over by beautiful women who dont care how good looking, charming, or well-endowed he is, only that he has a lot of money. Bob has something else as well, a new boss who just replaced the one who committed suicide and confessed to an embezzlement scheme very similar to the one that bob has been using. The new boss, Frank Porter soon discovers all of Bobs secrets and uses them to gain control over the accounting executive for both financial and sexual gain. EXCERPT: You wanted to buy yourself some impressive manhood, well, friend, you got it. You are mine from now on ad you will do whatever I fucking say for you to. The first thing I want from you is for you to suck my cock like the pathetic whiney half man faggot that you are. Porter said. Bob looked up at him and had a look of shame and disgust on his face. I cant...I mean, Im not gay, I cant do that. No, please dont make me do that! Bob said. Well, then, thats your choice, Bob. I suppose I have no other option than to make that phone call. I suppose I had better raise my pants before I do that however, would be rather hard to explain when security comes to detain you for the police and all. Porter sad as he reached down to pull up his bikini briefs. No!...Wait... Bob said as he lurched forward and put his hand on the hips of the executive standing before him, Ill do it, OK, Ill do whatever you want, Ill even do that. Ill suck you cock, Mr., Porter, just please dont do that! Bob said as he looked up at Porter, now standing up right once more. Bob looked at the other mans cock hanging only 3 inches form his face and felt his stomach turn. He was repulsed. What kind of sick bastard would make

another man humiliate himself like this, he thought. He opened his mouth and slowly leaned forward. WARNING: This 7200+ word erotic short story contains blackmail, gay oral and anal sex for the first time, and a man who discovers he'd rather be with men than women.
