Hanna and Darren have been friends for a very long time, and has developed feelings for him. Hanna loses a bet to her longtime friend and, instead of giving him the money theyd agreed on, offers him something a little more sexual in return. He agrees to the proposition, but theres a catch. Darren is into BDSM and says it has to be part of the deal. Hanna reluctantly accepts. Will Hanna enjoy this new sexual experience with her childhood friend? Will it lead to something more?
