

Alcohol (Whats the Deal?)

This series addresses key lifestyle areas that affect adolescent students with an initial focus on drugs and drug abuse. By recognising the conflicting pressures and information faced by teenagers these books will help readers make intelligent decisions about their behaviour. It includes viewpoints from both sides of the debate about key topics and issues. It looks closely at areas with which readers can identify, such as what is happening in schools, clubs and on the streets. It is backed up by case studies from a range of people including users, counsellors and medical professionals.
