

Applying Adobe(R) After Effects Studio Techniques

Applying Adobe After Effects Studio Techniques is for the digital video specialist who says, I saw this neat effect in a television commercial. How do I do that? The answer is in this book. Each chapter covers a specific technique along with the appropriate screenshot for each step. Each technique not only shows how but when to use a technique. And each technique is independent of others within the book so you can zero in on a specific technique. A Technical Questions Answered section at the end of the book gives expert answers to the most common questions you have about After Effects.
