

Adobe Lightroom 2 - The Missing FAQ: Real Answers to Real Questions Asked by Lightroom Users

When you have a Lightroom question, where do you look? Do you trawl through thousands of web pages looking for the information you need? Perhaps post on a forum and wait for hours for anyone to reply? Maybe try to figure out the Help files? From now on, you look right here! This is the reference book that should have shipped with Lightroom. Adobe Lightroom 2 - The Missing FAQ is a 436 page compilation of the most frequently asked questions, presented in question and answer format so that you can easily find the answers you're looking for. Whether you're a new user who likes to dive straight into new software and figure it out as you go along, a more experienced user wanting to learn how to get the best out of Lightroom, or you've just got a burning question you'd like answered, this book is for you. These are real-world answers to real questions asked by real Lightroom users. It not only covers how to do things, but also why they work the way they do. Lightroom may have a mind of its own... but now you can learn how it thinks. The story behind the book... and a FREE bonus! Adobe Lightroom 2 - The Missing FAQ was originally intended to be a searchable eBook, however once the book was released to the public, a demand arose for a paperback version too. Whilst some books have a PDF supplement, this book is the other way round - the colour PDF eBook is designed to be the primary book, and this black & white paperback is the supplement. Anyone purchasing the paperback version is invited to contact the author via her website to download the main PDF version absolutely FREE.
