

## Adobe Premiere 6 Bible, with CD

This is the definitive guide to the new version of the worlds top desktop digital video tool. It includes tutorials, tips, and tricks for editing digital video in Premiere - as well as how to create special effects in Premiere and AfterEffects, Electrifier and other apps. Adobe Premiere 6 Bible demonstrates how to professionally integrate narration, music and/or sound effects with moving images; and shows you how to create digital video productions out of movies shot on a camcorder - for home or business uses. Plus, you get a Mac/Windows CD-ROM loaded with video-based tutorials, a library of usable video clips and sample effects, useful video filters and utilities, and tryouts.
