

Adobe(R) Premiere(R) Virtual Classroom

Text and multimedia combine to create the ultimate learning experience in this Virtual Classroom release. With it, you'll learn to use Adobe's versatile video editing application to retrieve and capture video to your computer, enhance the digitized video, and prepare it for its final destination - CD, DVD, television, VHS, or the Web. Just pop in the CD-ROM, and follow along as your own on-screen guru explains and demonstrates the techniques discussed in the text.
