

Aftermath

Charlotte survived four long years as a prisoner in the attic of her kidnapper, sustained only by dreams of her loving family. The chance to escape suddenly arrives, and Charlotte fights her way to freedom. But an answered prayer turns into heartbreak. Losing her has torn her family apart. Her parents have divorced: Dads a glutton for fame, Mom drinks too much, and Charlottes twin is a zoned-out druggie. Her father wants Charlotte write a book and go on a lecture tour, and her mom wants to keep her safe, a virtual prisoner in her own home. But Charlotte is obsessed with the other girl who was kidnapped, who never got a second chance at life--the girl who nobody but Charlotte believes really existed. Until she can get justice for that girl, even if she has to do it on her own, whatever the danger, Charlotte will never be free.
