

Alex, Who Won His War

For 14-year-old Alex Kellar, the war cant be over soon enough. His beloved older brother Oliver is with the 101st Airborne, right in the heart of Nazi Germanys last-ditch battle for survival. That battle is about to come closer to home, beginning with Alex and his friend Larry discovering a drowned man washed up on the beach. When the body is identified as a German spy, the boys bask for a brief time in the spotlight. Its an exhilarating moment. Except once the spotlight is gone, Alex discovers that spy was not alone, and the lives of two elderly women his brother made him promise to look after not to mention Alexs parents and older sister are in great danger. Dare he tell the authorities the secret? If he doesnt, will it betray all Oliver is fighting to protect?
