

## All Things Hidden

Tracie Peterson and Kimberley Woodhouse Team Up to Deliver a Stunning Depression-Era Drama Gwyn Hillerman loves being a nurse at her fathers clinic on the beautiful Alaskan frontier. But family life has been rough ever since her mother left them, disdaining the uncivilized country and taking Gwyns younger sister with her. In Chicago, Dr. Jeremiah Vaughan finds his life suddenly turned upside down when his medical license is stripped away after an affluent patient dies. In a snowball effect, his fiance breaks their engagement. In an attempt to bury the past, Jeremiah accepts Dr. Hillermans invitation to join his growing practice in the isolated Alaska Territory. Gwyn and Jeremiah soon recognize a growing attraction to each other. But when rumors of Jeremiahs past begin to surface, theyll need more than love to face the threat of an uncertain future. A lot of story is packed into pages filled with loving, fully researched detail. The novels power lies in its deceptive simplicity and clear narrative. --Publishers Weekly starred review Award-winning Peterson and Woodhouse have coauthored a marvelous story of love and adventure in the Alaskan frontier. Their characters spring to life against a background of historical events. --Booklist
