

## The Young Persons Guide to Living Islam

This book is a form of guidance for the Muslim youth of today, a guide for their everyday lives, as well as being a compilation of useful information related to the various forms of worship with informative explanations given in an understandable manner. It has been prepared with color illustrations about every stage of performing rituals of purification and daily prayers. Aiming to meet the practical needs of English-speaking readers for their daily worship, this guide is one that is essential for every young Muslim.
