

## De Zulu pelas Americas (Portuguese Edition)

De uma brincadeira no retorno da viagem a Oshkosh em 2009, eu, meu filho Victor, nasceu a ideia de realizarmos a viagem em 2010. Acreditando que poderíamos realizar este sonho, comecemos a correr atras, e a aventura comecou a tomar forma com 3 aeronaves RV-10 e 8 pilotos. Em janeiro de 2010 iniciamos os preparativos para a viagem, que incluiam a definicao da rota, material para navegacao, preparacao dos RV-10s com o aumento de sua autonomia e o incremento de equipamentos de voo e seguranca; preparamos as documentacoes dos tripulantes e dos avioes, que incluiam autorizacoes de voo, de entrada nos EUA, etc. No dia 19/07/10 estavamos decolando de Amarais, em Campinas SP, para iniciar nossa aventura. Atravessamos o Brasil, soamos sobre o Caribe, encaramos um furacao, quase fomos presos, atravessamos os EUA, mas 5 dias depois chegamos a Oshkosh. A feira de Oshkosh e uma feira impar na aviacao, pousar la e curti-la, foi uma realizacao, uma emocao, um sentimento de dificil descricao. Curtimos muito a feira por 5 dias e fizemos as revisoes nos avioes e iniciamos nosso retorno para casa. Esta viagem proporcionou alem da fantastica experiencia, nasceu o livro De Zulu pelas Americas que relata em detalhes toda a ideia, a preparacao para a viagem, a viagem em si com todos os seus detalhes, fotos. Alem de disso, o livro e tambem, uma especie de guia de preparacao de viagem, diario e historia.
