

Amber Gets Spanked: Taboo Erotica

Though my TABOO stories are about pushing the limits and breaking all the rules, it seems there are just some guidelines that we all have to follow. Of course, when Amazon banned my original titles for being too hot and controversial, I wondered if I could simply seduce my way out of trouble *like most of my characters do! But alas, I have been forced to submit to their authority (some of my characters like that too!) and provide only very vague titles and descriptions for you, the reader. Believe me, Amber Gets Spanked was not my first choice for this book. But dont worry! This erotic story still features all the good stuff inside - naughty, kinky, forbidden relationships that explore the taboo of sexy characters who live and play together. Some readers may find this material offensive, so consider yourself warned... When innocent little Amber does the unthinkable, she isnt sure how she will ever win back the affections of the only man she loves - but she does know that she is willing to do whatever it takes. Soon, she is bending over begging for his forgiveness and her moms man cant seem to keep his hands to himself. Now, she feels the sting of his spank on her soft, supple skin and shes about to learn just how good it feels to be bad. J.C.
