

## Maid Made Bare (Maid For Pleasure Book 1)

Get on your knees, or I get a new maid. Incredibly gorgeous but also incredibly poor, Claudette has never had a good run of luck in her life. Then, she is hired as a domestic servant for the enigmatic Mister Castle and his beautiful wife. For one year of completely obedient service, they'll pay her one hundred and fifty thousand dollars a dream come true. But Castle and his wife, along with their studly, tattooed assistant Terrance, soon draw Claudette into an erotic spiral of desires that become more and more depraved. Claudette finds out she was made to be a good girl, and good girls always do what they're told no matter how erotic or filthy the request. They tell her to clean, and she cleans; no big deal. They tell her to dress sexy, and she dresses sexy; strange, but she can do it for the money. They tell her to perform sexual favors, and she's in too deep; Claudette feels she has to do what they say. But there's one last request the Castles want an heir, and they want Claudette to give it to them.
