

An Orgy for All: Bethanys Bisexual Interracial Swingathon

Bethany and Gary sat facing each other across the table, with Rob at one side. Several times during the meal she let her knee touch intimately against Rob's. At first he kept jerking his leg away, but after a while he gave up and joined her in a game of kneesies (secretly, he thought) under the table as the three of them chatted and ate and sipped the wine he'd brought. Gary and Bethany exchanged knowing glances, both beginning to get in the mood for the erotic evening Bethany so desired. Gary knew his wife was rubbing knees with his best friend under the table, out of his sight. It excited him. He felt almost a part of it because Bethany had told him she was going to do it. Rob looked guilty as hell. Gary felt sorry for him. He'd wanted to tell him straight-out what they had in mind, but had agreed to let Bethany play at being an adulterous wife. It was all so new to her, she'd said. She'd never seduced a man before. So he'd agreed to play along and allow her to tease poor Rob until he was panting with need for her. It was a dirty trick to play on such a good friend, but Gary had to admit it held a certain charm. More than that, it was fascinating. The way Bethany was getting to Rob so early, he'd be a wild man when she was finally ready to take him to bed with them. Gary knows his wife is an absolute vixen in bed and that turns him on, big time. But what seems to fascinate him more, what really gets him standing, is the idea of watching another man take Bethany in front of him. And if not one man, then many. What follows is a Bacchanalian display of all things orgy and orgiastic, from the randy couples seduction of hubby's best friend, to the eventual same full room swinging that each yearn for. But what happens when another wanton woman is added to the fold? Or a photographer with a predilection for the more licentious of shots? Add to the mix an extremely well-endowed black lover and all is set for a torrid display of all entry

ruttings and gamahuching a plenty.
