When you really need answers to your pressing life questions, the Angel Guidance Board gives you quick and clear guidance about your career, love life, family, health, finances, and other important areas. Doreen Virtue has used oracle boards (such as Ouija and scrying boards) since childhood, and has always found them to be complicated and time-consuming. So, she designed this board to be extremely simple, quick, and easy to use. Includes: A folding board One pair of crystal dice Four angel markers to give you guidance and answers An instruction booklet
