

Mail Order Bride: Cheyenne Summer: Inspirational Historical Western (Pioneer Wilderness Romance series Book 15)

Available as part of a value boxed set [AMZN.COM/B01FMQ4WM8](https://www.amazon.com/B01FMQ4WM8) (copy and paste the link into your browser) Clean and Wholesome American mail order bride historical western short story romance. Its 1870, and the love is starting to blossom in the wilderness of Wyoming Territory. This historical and inspirational Western romance much-loved series is about empowered women who turn around their hopeless circumstances in this mid-19th-century tale of the old West, with strong faith and discover authentic men and true love. Meet Aggie MacLeod, a Southern girl who left her native Georgia for a journey to the West. Despite learning the ongoing troubles between Indians, the Army, and the settlers in the Wyoming Territory, she took the courage for love and risked her life to meet the man she has been exchanging letters with and be his mail-order bride. Will she escape the half-naked Cheyenne Indians who have been chasing and shooting arrows at them? Was this where her journey was to end? Will she meet her fiance and marry him as planned? Agatha? Aggie stared at the handsome soldier staring at her in wide-eyed wonder. Was it possible? She tried to speak, then realized her mouth was too dry. She cleared her throat and tried again. Yes, Im Agatha Aggie McLeod. The soldier glanced at the two Indians on either side of him, shot a glare toward her captor, then once again focused his attention on her. He swiped the hat off his head and held it over his chest. Pleased to meet you, Agatha McLeod, he said, a grin tugging at the corners of his mouth. Im Lieutenant Jason Bascom, your fiance. Get ready for some action and adventure as you read on Aggies long journey from Georgia to Wyoming Territory where you may encounter the Cheyenne, the Sioux, and the Arapaho Indians.....a story of hope, fear, romance, suspense and true love.....While this book is part of a romance series, it can

definitely be read as a standalone book.
