

## Trapped in Fantasy

Hannah is a lovely young professional woman who has long had a dark, kinky, and very secret sexual fantasy she has dared share with no one. But when her colleague Jessica finds the secret pictures she has taken of herself clad in nothing but ropes and chains, Hannah and her kinky fantasy are both exposed! Mortified, at first, she is dragged helplessly into experiencing the very things she has so long fantasized about; dark submission and discipline at the hands of men and women she barely knows! Breathlessly overpowered by the wild thrill of it all, Hannah falls fully into her anxious, obedient new life of being the living bondage toy of all who want her!
