

## Home from the Crowds (and Other Christmas Poems)

Christmas Carols are one of the most visible parts of Christianity, instantly recognisable to church-goers and others alike. Over the years many fine new musical settings have emerged, but the words remain the same. Kevin Carey has been inspired to create a third anthology of new and vibrant lyric poetry that will delight those eager to renew their Christmas Spirit. This book is a perfect stocking-filler, containing over 50 poems that guide us through from Advent to Christmas and Epiphany. Scattered throughout the text are illustrations by Kevin Sheehan. KEVIN CAREY is the Chairman of RNIB, the UK's leading blindness charity, and a Reader in his parish church. He has been a Member of General Synod, and is a chorister, theologian, novelist, and classical music critic.
