

Reminiscences of the Iditarod Trail

This is the authors diary of his journey from March 1917 to April 1919 along the Iditarod Trail This is probably one of the originals. It is hand typed and xeroxed. It is bound in a folder with staples holding the pages together. Includes the Price of \$3.00. This was given to my family in 1971 and is signed by the author and one of his daughters. The paper is yellowed with some smudges
