

I Hate School: Strategies to Make Your School Year Less Painful

If the thought of another school year makes you groan, help is here! This book is filled with tips and strategies to help junior and senior high students learn how to get through the school year more painlessly. From dealing with hateful teachers to getting by with an undone reading assignment, this book will help students work the system for a better school year. The book is quite short, intentionally. What student needs a 200-page book to read? This book is real-world tips without endless stories about Student A or Sally or Jim - just information students can use to get through the year with less pain. Get this book and in an hour you'll be ready to finesse your way through the school year!
