

Wild Nights - Complete Series

Here is the complete collection of the Wild Nights Series, written in the delicious and sensual style of Natalie Wild. Getting over a bad breakup isn't easy for anybody, especially when it's your fiancée, the man you thought you would marry and spend the rest of your life with. So when Laura moves to New Orleans hoping for a fresh start, she finds herself working as a cocktail waitress at a hip club near Bourbon Street. She inescapably becomes drawn to one of the customers who frequents the club - Philip Dubois; sexy as sin with dark hair and smoldering eyes who visits almost every night. What starts out as some fun and innocent flirting quickly develops into something more seductive. Is Lauren ready for what Philip has in mind? Or will she let her past heartbreak prevent her from enjoying the new and exciting world that Philip will open up to her. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
