The Art Of Domination 2: Photo Slave A Domination and Submission Romance When Iva Moreau made a deal with sexy bad boy photographer Nolan Beal to keep her younger sister from becoming his erotic pin-up modelin exchange for one photo session with Iva herselfshe thought she could fulfill her bargain and walk away from the life of art, hedonism, and passion that had once consumed her. She hadnt anticipated that taking creative direction from the intense photographer would lead so naturally and inevitably to taking sensual direction from him as well, as she submits to the forbidden thrill of his sexual domination. With his fair share of attention from wannabe models and art world groupies, Nolan expected to satisfy his curiosity over the fiery and protective Iva with one nights seduction. As she defies the stereotypes that have kept Nolan at a distance from love, however, he finds himself compelled to seek out the Iva hidden behind the mask of fierce duty and stifling respectability. What began as Nolans mission to obtain Ivas signature on a model release for the use of her photos now becomes a Doms seduction and instruction of the woman he would take as his submissive. And the signature he has decided he wants from her is the very opposite of a release. Novella Length: 22,000 words or roughly 74 traditional print pages.
