

BEING BABY (ABDL Ageplay Romance)

SARAH SETHLINE

The soft, plastic material of the diaper felt fantastic against my cock. I started rubbing myself all over it, dry humping the fuck out of Molly. The one thing Molly wants more than anything in this world is a baby. For months shes been shopping for all the cutest baby gear... until the day she finds out she cant get pregnant. Now she and her hubby, Mark, have a stockpile of baby stuff and no receipt. Molly decides that the best way to make use of the infant items (and get over her loss of mommydom) is to pretend to be a baby herself. Instead of making a baby, theyll play baby, discovering the best sex of their lives in the process. * This is a kinky erotic ABDL short story. Contents include: pacifier sucking, a milky formula licking, a baby food body buffet, diapered intercourse, a teething cock ring, anal play using a baby thermometer... and MORE! EXCERPT: Molly was still wearing pants, so I had inch my fingers inside them. As I lowered my hand down her front, I noticed something was different. Molly wasnt wearing anything silky, satiny, or even cotton down there; no, what I was feeling felt like plastic. Thats what I wanted to show you, my wife said as she shimmied out of her black yoga pants. My mouth dropped open at the sight of the topless, diapered woman that stood before me. She was actually rocking that diaper pretty fucking well. Hows this for lingerie? she asked as she twirled around to show me her back view. I about lost it when my eyes fell on her puffy, diapered bottom. Molly and I had played dress-up in the bedroom before, but never like this. Seeing her standing there like a vulnerable little girl was getting my cock harder than itd ever been before.
