

Beyond The Music (The Rock Gods) (Volume 7)

Lincoln Stallworth, bass player for Black Ice, has quietly watched each of his band mates fall in love and has accepted the fact hell probably never find the same for himself. He doesnt really believe in true love, couldnt fully understand the absurdity of it, or the notion there could be just one perfect person for everyone. A debilitating health issue began to shadow Lincoln in the middle of their last tour. As his physical symptoms worsen, Lincoln has to fight the urge to hide from the world and himself inside his estate. Aaron Baylor enters Lincolns life at his lowest point. Lincoln feels broken, damaged beyond repair, and hes ready to give-up. Aarons patience and unwavering support slowly begin to pull Lincoln back to being present in his own life and gives him hope for a future and for love. Will Aaron be the glue that holds the broken pieces of Lincolns life together? Can Lincoln fight his way back to good health and take a chance at love? Or will the task be too great for Lincoln to handle? Beyond The Music is Book 7 in The Rock Gods series. This is the final story in the series, but also the launch of a new M/M spin-off series, Guarding the Gods, which will have many cameo appearances from The Rock Gods characters in each story. If you enjoyed The Rock Gods, I hope youll give Guarding the Gods a try!
