

## Beyond the Trail (Trails) (Volume 2)

After reaching the end of the Oregon Trail Patrick and Rachel ORiley have to make some hard choices... But Patrick, Rachel protested, we cant settle here. You cant farm this land. Patrick looked down at her. Rachel, it as been nearly three weeks now, and ye are still so weak. I should not hiv brought ye ere in the first place. Bit, Ill not make the same mistake twice. Ye are not able to travel. Rachel studied his face for some time. She knew that he was disappointed about not being able to settle near the coastline. Now Mrs. ORiley, he began, dont ye start to thinking thit all as gone wrong. Semtimes our plans do not fit into Gods plans. Now, tis mich better to follow our Lords design than to disobey by stubbornly continuing down our own path when E as blocked our way. How she loved that tall, gentle man. Yes, everything would work out fine. Then a new thought struck her. But who will you preach to? Surely there are no other families here. And logging men are not known for being church goers. Patrick laughed and lightly squeezed her hand. His eyes twinkled with delight. Rachel sighed and smiled up at him. As long as Patrick could still laugh, everything would be all right.
