

## Wrecked - A Bipolar Love Story

Celenas kept her dark mind a secret, but wrong her, and shell paint you in black and blood red... Celena, a girl haunted by her destructive past, moves to the Hollywood Hills with her family. Her parents claim the relocation is for the sunshine. The truth which they dont talk about? Their daughters reckless abuse of others. She doesnt regret her actions but knows shell end up in real trouble if she continues her dark manipulations. She vows to keep herself in check, but struggles to keep the promise. Celena thinks she might be a sociopath and searches online for the truth about herself. She knows something isnt right, and the coldness inside terrifies her. Serge, a boy at her school, falls hard for her and she returns his love. A new world opens up to her, but will she be able to handle a relationship? She plots revenge as her mind twists inside of her, wrecking her more than she could ever hurt Serge and his friends. And she hurts his friends very badly. Themes: Mental Illness, Sociopathy, Some sexual situations.
