

Transpersonal Astrology: Explorations at the Frontier

This book is an innovative compendium designed to further the transpersonal within the astrological framework. As a reflection of the revolutionary energies which currently swirl, Transpersonal Astrology: Explorations at the Frontier has a variety of cutting-edge thought to stimulate future directions of inquiry and practice. 16 unique perspectives and topics are addressed with a common theme: life becomes more rich and spiritually rewarding when we broaden our lens beyond the most immediate concerns. The incorporation of our fundamental interconnectedness and the reach towards greater wholeness is an endeavor which seeks to refresh astrology and promote its continued vibrancy and relevance. Enjoy this discovery of astrology at the frontier! Contributions by Benjamin Bernstein, Faye Cossar, Dena DeCastro, Armand Diaz, Adam Elenbaas, Maurice Fernandez, Adam Gainsburg, Margaret Gray, Mark Jones, Eric Meyers, Jessica Murray, Rafael Nasser, Julene Packer-Louis, Sherene Schostak, Andrew Smith, and Bill Streett
