Want some solutions? *How To Train Your Parents in 6-1/2 Days* is a parenting book for teens - sort of a how to get your parents to behave, says author Margit Crane of her latest title. I wanted to write a book that breaks down exactly what parents are thinking and feeling so that tweens and teens can learn that this isn't a contest over who will win. Both teens and parents can hold onto their dignity and power without overpowering each other.
