

# WHEN TEENS THINKY: Poems and Writing Ideas for Creative Teens and Their Teachers

Thirteen  
The year of pimples, puberty, and  
push-up bras  
Of heartbreaks, first kisses,  
and noticing little flaws  
When you go from  
just friends, to just a little more  
And you  
notice each year is better than the one  
before  
First you start to notice  
That love is  
not a game  
Then you start to realize that  
feelings are hard to tame  
You soon will  
discover that people can be mean  
This is the  
very confusing age of thirteen  
When Teens  
Think explores this confusing age of  
thirteen. You will be able to relate to the  
lives of these students and be inspired to  
write poems of your own!
