

Fill Me Up!: A Forbidden Taboo Erotica

Hes really big... and she wants him to fill her up! When Lexi is stood up on her date (and to just a nice guy no less) shes particularly unhappy. She could have been out with one of the football stars instead! But she has always heeded the advice of Matthew, the man who raised her, the man of the house. He says stay away from the bad boys, because theyll just use you and lose you. Of course she listens to him... shes secretly in love with him! Lexi gets home a angry and bitter, and Matthew is there to comfort her in a way only he could. Feeling brave, she admits her taboo love for him, and her desire to have him not just inside her, but to fill her up! This forbidden taboo story contains themes of illicit love and lust, themes that some readers may not be ready for.
