

The Beauty (Angry Edenites Book 2)

Welt always thought she was destined to live somewhere better than the small town of Wonderville where she grew up, and when she discovers a local think tank has a map to the Garden of Eden, she realizes exactly where that somewhere is. The map to the Garden of Eden though is one of the think tanks most prized possessions. They are not going to give it up easily. How will Welt outsmart a group of brilliant teenagers intelligent enough to solve many of the worlds problems, such as how to safely perforate ones own fingernails? Read The Beauty and find out! David J. Rollins is a new exciting author with a style all his own. His stories are unlike anything else you have ever read, unless you have read Douglas Adams, Terry Pratchett, Christopher Moore or William Rankin. And if you have read those authors, youll love David J. Rollins. Reviews for David J. Rollins Other Books If you dont find yourself laughing at poor Requiems situation & who put him there youre definitely taking life too seriously. Dallas, Goodreads review of Angry Edenites No. 1 - The Preacher. I certainly wasnt expecting a novelette that had me talking about it all weekend to everyone who would listen! David Rollins has created a quirky, sick, but totally enjoyable world in the Sales Crime Policeman (EM Havens Blog, Review of The Sales Crime Policeman, emhavenswrites.blogspot.com/2014/06/em-reviews-sales-crime-policeman-by.html) This humorous science fiction novel gets a gold star for imagination and for a very entertaining, whimsical book with loads of allegory . Its snarky and sarcastic and for some reason it I get the feeling the author is a fan of Phillip Dick. Gpangel (Amazon Review of The Sales Crime Policeman)
