Dont miss this spectacular new series that will steal your heart and haunt your dreams, Welcome to Shadow Falls camp, nestled deep in the woods of a town called Fallen One night Kylie Galen finds herself at the wrong party, with the wrong people, and it changes her life forever. Her mother ships her off to Shadow Fallsa camp for troubled teens, and within hours of arriving, it becomes painfully clear that her fellow campers arent just troubled. Here at Shadow Falls, vampires, werewolves, shapshifters, witches and fairies train side by sidelearning to harness their powers, control their magic and live in the normal world. Kylies never felt normal, but surely she doesnt belong here with a bunch of paranormal freaks either. Or does she?

They insist Kylie is one of them, and that she was brought here for a reason. As if life wasn't complicated enough, enter Derek and Lucas. Derek's a half-fae who's determined to be her boyfriend, and Lucas is a smokin' hot werewolf with whom Kylie shares a secret past. Both Derek and Lucas couldn't be more different, but they both have a powerful hold on her heart. Even though Kylie feels deeply uncertain about everything, one thing is becoming painfully clear: Shadow Falls is exactly where she belongs.
