

Boy Meets Boy

The unforgettable debut novel by co-author with John Green of *Will Grayson, Will Grayson*. To be together with someone for twenty years seems like an eternity. I can't seem to manage twenty days. How do you stay together? Paul has been gay his whole life and he's confident about almost everything. He doesn't have to hide his feelings like best friend Tony or even cope with loving the wrong guy like his other best friend Joni. But heartbreak can happen to anyone. Falling in love changes everything.
