Golf Digest is the most recognized name in the massive golf industry, read by more than six million people each month. The magazine's most popular section is Breaking 100-90-80, in which top-notch instructors teach recreational golfers of every level how to set scoring goals and overcome barriers. In a sport where 85 percent of golfers don't break 85, the section presents organizing strategies focused on breaking these scoring benchmarks and infusing one's personal game with meaningful victories. This groundbreaking book draws on Golf Digest's rich resources, offering specific instructions, illustrations, and tips that will provide readers with meaningful information for improving their game. Written by the most successful PGA instructors—legendary teachers like Butch Harmon, David Leadbetter, and Jim McLean—BREAKING 100, 90, 80 will redefine the golf instructional book this season, and for many more to come.
