Famous opera singer, LAngelina seems to have it all. She travels from place to place with her manager making a living with her voice. So why is she so unsettled? When she receives a note threatening her family, she jumps at the first opportunity available to her. She becomes a substitute mail order bride using the name she was born with, Eliza Woods. Calvin Simpson has finally reached the point where he feels he can financially support a family, so he sends off for a mail order bride. Hes not thrilled that the bride chosen for him is nineteen, but he doesnt feel he can be too choosy. When a mature, full-figured woman gets off the train and announces shes there to be his wife, hes thrilled. Eliza is the woman of his dreams. Can they be happy or will the constant threat destroy their marriage?
