This 11,000 word novelette contains powerful Christian influences, love, family and other related themes meant to make you smile! The Western Mail Order Bride: Up From The South With Her Slave, is a very moving story about a rebellious and not very pleasant young woman sent out west as a mail order bride, and forced by her aunt to take along her sick slave so that the slave can breathe in some better air, and hopefully, get better. They both find far, far more than they bargained for in a kind and Christian rancher, a stage coach driver, a helpful doctor, and one wonderful surprise at the end.
