

## Fallen Angel (Wander Lust #1)

M/M EROTIC ROMANCE. FOR MATURE (18+) AUDIENCES ONLY. \*This is part of a series, but each story has an ending with merely a lead-in to the next, upcoming story. No major cliffhangers. Life as he knows it began for 21-year-old Joey Smith 2 years ago when he entered a random hospital with no clothes and no idea who he was except for his first name. Upon meeting Doug Haines a young assistant therapist the two quickly fell in love and Doug became Joey's whole world, all he knew in this life. Their love was perfect and Doug adored him. Or so Joey believed. Until Doug abruptly dumps him, abandoning him in the middle of nowhere during a vacation to celebrate the anniversary of when they met. Joey is lost and confused and brokenhearted. He has no one but Doug, and now not even him. Joey must now face an unknown world all over again, feeling like he's starting out with another blank slate as all that he had known is gone. Taking to the highway with nothing but the clothes on his back, a twenty-dollar bill in his wallet, and a broken heart in his chest, Joey quickly learns that there are things in this world that can dull the pain even make him forget the heartbreak for a while. His drug of choice; sex. And with each hit, he is swift to seek out his next fix, convinced that this has become the sum of his life until he finally just fades away. But is there more to Joey Smith than meets the eye? Was he really just uncaringly discarded, or does a deeper destiny lie within?
