

Butt Slut Barista 2: Room For Cream (Anal Lesbian Erotica)

Tammys time working at BugBean coffee shop has gotten a lot more fun since she started fucking her hunky boss Vincent on the side. But when a fellow barista catches her white-thighed with evidence of the illicit affair, will she be able to convince Melody to keep things quiet?Warning: This 4700-word story is intended for mature audiences only, and contains graphic depictions of oral sex, anal sex, lesbian sixty-nining, and snowballing.Excerpt:Melody had changed out of her work clothes, and was wearing a pink blouse cut very low that showed off her ample cleavage, and a gray wool skirt that came down to just above her knees. She was also wearing wedges that made her even taller than usual, and Tammy unconsciously took a half-step back.Oh, yeah, Tammy said, trying her best to sound nonchalant. Vincent had to run out and get some errands I mean, do some errands. I was just hanging out here until he got back.Melody could sense something was amiss, and Tammy knew it. She gave her an odd look as she moved to her cubby, and began digging through it. Ah, here we go, she said, pulling out a well-worn book. Ive got an exam on this next week, cant study without it!She turned it so Tammy could get a look at the cover. The Poetry of Sappho, Tammy read aloud. Huh. Wasnt she a lesbian? This was an awkward turn of conversation, Tammy thought, but better this than her finding me naked. Again. Melody nodded, and began flipping through the book. There were dozens of post-it notes, dog-eared pages, underlines, and highlighted passages. Yup. She lived on the isle of Lesbos, which is where the word Lesbian comes from, she said, and gave Tammy a warm smile.Huh. Well, you learn something new every day, Tammy said. Good luck on your test! she said, and tried to flash a smile at Melody. But she suddenly felt a strange, creeping sensation along the inside of her thigh, and couldnt

help but feel her face twist into a grimace of confusion. Reflexively, she glanced down at herself and saw a thin trail of semen running down her leg. Tammys heart stopped, and she looked up at Melody, who was looking down at her leg as well. Melodys gaze slowly moved back up and met hers. Thats Melody paused. Thats Vincents. Isnt it? Unsure of what else to say, Tammy nodded dumbly in response. Their eyes met, and Tammy found herself pinned down by Melodys gaze. For the first time, she noticed that the taller girls eyes were a cool, ice-blue. Huh, Melody said. Hes really hot, isnt he? I hear he played football in college. Tammy nodded again. Melody took a step forward, moving in close, and Tammy could almost feel Melodys breath. Please dont tell anyone, Tammy said desperately. Melody laughed. Tell? she said. Who, exactly, would I tell? The garbage boy? Youre fucking the owner. Tammy stopped to consider this, then gave a short laugh. She has a point, she thought. But you know, Melody said quietly. Ive always wondered what he tasted like. Shocked, Tammy could only watch as Melody sank to her knees in front of her. She leaned forward, mouth open slightly, and carefully began to lick Tammys thighs clean. Goosebumps broke out on her skin, and she spread her legs to accommodate Melody. Mmmm Delish! Melody said, looking up at Tammy with a mischievous glint in her eye. But theres got to be more, hasnt there? That finally brought Tammy back to reality, and she looked down at this sexy girl, kneeling below her, basically asking to eat her out. She thought of how her imagination had run wild earlier that day, and her heart began beating faster at the thought of being able to learn how accurate her fantasies were. Theres a lot more, if youre willing to go looking for it, Tammy said, as she hiked up her skirt and lifted a long smooth leg onto a counter. Melodys eyes followed the trail of semen up Tammys thighs, and widened in surprise as she realized it ended in Tammys ass.
