# Illustrator CS5 Bible

A former Group Product Manager for Illustrator takes you on a detailed tour of the new version of Illustrator Adobe Illustrator allows you to create sophisticated artwork for nearly any medium and the newest release boasts enhancements aimed at helping you save time and work more efficiently and intuitively. Written by veteran author Ted Alspach, this authoritative resource dissects Illustrator CS5 so you can harness the power it has to offer. Youll begin with a review of Illustrator basics and quickly ramp up to more advanced topics, such as working in 3D, using filters, distorting artwork, applying strokes, and more. Former Adobe insider Ted Alspach breaks down the powerful program of Illustrator and explores the new features and functions included in the latest version Begins with the basics of Illustrator, such as working with the interface and creating Illustrator documents Shows you how to manipulate type, distort artwork, and apply strokes and fills Explains transparency, working in 3D, using styles and effects, applying filters, and more Illustrator has amazing potential that can sometimes be daunting, but with Illustrator CS5 Bible by your side, youll learn to put the capabilities of Illustrator to work for you.
